**19-21 MAY
2017**

OFFICIAL
PROGRAM

Yorke
Peninsula
SOUTH AUSTRALIA

Welcome to 2017 Kernewek Lowender Copper Coast Cornish Festival

A flame has been ignited to renew, revamp and refresh the festival bringing excitement for all ages. With an increased support from the local community we bring to you a new era in the Kernewek Lowender and a festival that is sure to please.

The three towns of Kadina, Moonta and Wallaroo have embraced the spirit to deliver a festive feel and celebration of the region's significant Cornish heritage throughout the Copper Triangle.

Our continued partnerships with Drakes Foodland and the Moonta Progress Association will once again stage the Drakes Foodland Moonta Parade and Street Party on Friday 19th May, featuring the Procession, Maypole and Furry Dancing, the giant Pasty Bake-Off, and the Official Welcome in Queen Square.

The Wallaroo Shores Village Fair will be held in Kadina on the Saturday 20th May. A new sponsoring partnership with development company Wallaroo Shores is an exciting move forward for the festival and town developments. There will be markets held by the Northern Yorke Peninsula Rotary Club, over 100 market stalls to roam, discover and enjoy. The Wallaroo Shores Village Fair events will this year return to where it began throughout the CBD Shopping Precinct. You'll be entertained by the Cousin Jack and Jenny competition, Maypole and Furry Dancing plus plenty of singing and dancing performances to entertain all ages.

Sunday will see the three towns come alive with excitement as the streets are filled and the RAA Rosewornes Classic Cavalcade of Cars ventures from Wallaroo through to Moonta and finishing at Kadina, kicking off the Cavalcade Fun Fair with rock n roll entertainment, stalls and presentations.

With a record amount of Associated Activities listed in the program, there is something for everyone. For all your festival information visit our website.

Dynnargh! And enjoy!

Welcome from the Minister for Tourism

Welcome to the Kernewek Lowender Copper Coast Cornish Festival.

This year's program is set to be a huge success, attracting about 40,000 people from South Australia, interstate and overseas. With something for everyone, this traditional Cornish festival involves the entire Copper Coast community with maypole dancing, ceremonies, costumes, parades, music and much more. It is proudly supported by the State Government.

I encourage all visitors to South Australia to get out and about and enjoy our stunning regions which have undoubtedly some of the country's best food and wine.

We also have thousands of kilometers of coastline in South Australia with no shortage of things to see and do. South Australia is thriving with a variety of award winning major events and festivals - contributing to us being named as a Top 5 Region in the world to visit in Lonely Planet's Best in Travel guide for 2017. South Australia was also named Australia's Best Events State for the second consecutive year.

Whether you are here from interstate or overseas, or a local exploring your own backyard, South Australia offers an exciting range of experiences from the Outback to the beach and everything in between.
